As always, the safety of our Scouts, volunteers, employees and communities is top priority. If you have a fever, cough, or other symptoms associated with COVID-19 or it is believed you may have been exposed to COVID-19, you should isolate and not attend this Scouting event. If this camporee is cancelled or postponed due to an extreme weather event we will attempt to get the information out to participants by phone, e-mail, posting a notice on our social media page and our website. In the event this camporee is postponed, your registration will be transferred to the new date. If you are unable to attend the rescheduled event, you may request a refund in writing to the De Soto Area Council according to our standard policy. If the event is cancelled outright a full refund will be processed and issued.

As always, the safety of our Scouts, volunteers, employees and communities is top priority. If you have a fever, cough, or other symptoms associated with COVID-19 or it is believed you may have been exposed to COVID-19, you should isolate and not attend this Scouting event. If this camporee is cancelled or postponed due to an extreme weather or the location of the event is changed we will attempt to get the information out to participants by phone, e-mail, posting a notice on our social media page and our website. In the event this camporee is postponed, your registration will be transferred to the new date. If you are unable to attend the rescheduled event, you may request a refund in writing to the De Soto Area Council according to our standard policy. If the event is cancelled outright a full refund will be processed and issued.

- Participants will need to complete the CDC health screening form prior to arrival of the event and turn in at registration. The health screening form will be reviewed and thermal temperature scans will be done. This process will be repeated Saturday morning before breakfast. If a participant has a fever or any signs and symptoms of COVID-19 they will be quarantined in a designated area of the camping area away from other participants until a parent can pick them up. If the participant is an adult over 18 they will be asked to leave the event.
- Participants will not be permitted to sleep in a tent with another person unless it is a sibling within 2 years of age.
- Participants are advised not to share camp chairs or any other miscellaneous camping items with other individuals unless they are properly washed or disinfected. When seated, participants must social distance at least 6ft. in between each other and wear face coverings.
- Participants are encouraged to bring their own hand sanitizer, individual snacks, water bottle or Nalgene, and facial mask or covering.
- DAC will provide the following food preparations: Pre-packaged individual snacks at Cracker Barrel for Friday night campfire. Breakfast and lunch will be individually wrapped and placed in a brown paper bag. Individual juices and bottled water will be served.
- Participants will be required to maintain 6ft. social distancing for restroom and water breaks. Frequent handwashing with soap and water for at least 20 seconds will be encouraged before eating food, after using the toilet, after blowing your nose, coughing or sneezing, after putting, touching, or removing cloth face mask or coverings. Avoid touching your face, mouth, nose or eyes.
- Participants will maintain at least 6ft. social distancing while participating in the service project for the state park. Masks or facial coverings must be worn when unable to keep a distance of 12ft.

COVID-19 Health Screening Form  
 DAC Scouts BSA Fall Camporee  
 Moro Bay State Park

Participant Name:	UNIT #	10/2	10/3
<b>Current Temperature:</b>			
Please write Y for "yes" and N for "no" for the following screening questions:		Y / N	Y / N
1. Are you or anyone in your household currently experiencing any of the following symptoms: sore throat, cough, chills, body aches for unknown reasons, shortness of breath for unknown reasons, new loss of smell or taste, fever at or greater than 100 degrees Fahrenheit, or any other COVID-19 or flu-like symptoms (nausea, vomiting, diarrhea, etc.)?			
2. In the past 14 days, have you had close contact (within 6 feet for equal to or greater than a 10 minute period of time or living in your household) with a person who has been diagnosed with COVID-19 by a medical provider?			
3. Have you been diagnosed with COVID-19 by a medical provider in the past 14 days?			
4. Have you been told by a medical provider or public health official within the last 14 days that you should self-quarantine due to potential COVID-19 exposure, or that you are suspected of having COVID-19?			
5. Have you or anyone you have been in close contact with traveled on a cruise ship, internationally, or been to an area with a known communicable disease outbreak in the last 14 days?			

**If the answer is "yes" to any of these questions, the participant must stay home or be immediately masked and asked to stay in the quarantined camping area away from the other campers until a parent can come and pick the participant up. If the participant is an adult over 18, they will be asked to go home.**

**If the answer is "no" to any of these questions, the participant may interact and participate in the scheduled council event. Participants are encouraged to follow health and safety guidelines set by the CDC, ADH, and BSA.**
